**Ephesians 5:11, 13-16:** "And have no fellowship with the unfruitful works of

darkness, but rather **reprove** them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

**Reprove**: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

**Circumspectly**: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

**Matthew 24:24**: "...if it were possible, they shall deceive **the very elect**."

**II Corinthians 2:11**: "Lest Satan should get an advantage of us: for we **are not ignorant** of his devices."

**II Chronicles 7:14**: "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

### **The Events Of 2018 Prove The Word 'Normal' Is Gone Forever**

In a new report done for Congress by the National Defense Strategy Commission they report that the US could now lose in a war against China or Russia as '*America's military superiority has eroded to a dangerous degree*' [according to this Daily Mail story](#). Though the US potentially losing a war to Russia or China shouldn't be any surprise to ANP readers as we've been reporting for almost a full year now that MAD, '*mutually assured destruction*', *is no longer mutual* thanks to Barack Obama's New START nuclear weapons reduction treaty.

As [Dr. Peter Vincent Pry reported on ANP back on March 14th](#), thanks to Russia's new 'doomsday weapons' and the U.S. failing to develop such weapons, the US *"no longer has the ability to deliver 400 equivalent megatons (EMTs) to destroy 25% of Russia's population and 75% of industry after a Russian first-strike, which is the classical definition of MAD requirements for the U.S. In contrast, Russia--after a U.S. first-strike--has the capability to destroy more than 25% of U.S. population and 75% of industry by delivering 100 EMTs against the U.S., whose population and industry is much more urbanized and concentrated than in Russia, U.S. population and industry is also much less well protected."*

And though we're happy to finally see the mainstream media reporting upon this development (that should keep some insane US politicians from pushing for war with nations that could wipe us off the map), **many believe that [judgement is already being carried out upon America](#) due to the sins of our past leaders and much worse may still be yet to come.**

In this [November 4th story over at Business Insider saved at Archive](#) they reported that a number of different Russian media outlets had published at least 30 different stories over a several day period prior to the mid-term US elections **suggesting that America could devolve into civil war sometime during the 2020 election.**

With those coordinated stories reminding us of the coordinated efforts we've seen here with the US mainstream media consistently aligning story narratives, while working their very best to divide the American people, the Business Insider story interestingly points

out that the purpose of the Russian medias stories are an attempt to portray the American people and therefore America as divided, and a nation divided cannot stand. And while all of the Russian outlets used [this opinion piece published by the Boston Globe](#) by historian and Conservative commentator Niall Ferguson of Stanford University as their source, and in his story, Ferguson argues that **America is already in what he calls a 'cultural civil war', being played out on social media websites, but the Russian outlets failed to mention Ferguson's conclusion, that he believed a 'kinetic' civil war in America is highly unlikely and for many different reasons.**

**Yet as the Business Insider story correctly pointed out, another civil war in America would play directly into the hands of Russia, Russian president Vladimir Putin and any other enemies of America who might want a 'weakened America', and a divided America. And that includes the 'enemies of America within' who've long been working to take down our nation and merge it into their satanic new world order.**

So while the globalists are attacking nationalism, they are also going forward full speed ahead with their globalist agenda, continuing to push us towards destruction with most Americans completely unaware of what's really going on.

Also warning of [foreign invaders at our borders](#) and the Russians and Chinese [scheming to take parts of America, we've seen just that with convoys of thousands of people rushing up to America from the south, while China owns huge chunks of land in America already, including a big play made by them back in 2016 to buy up American farms and farmland.](#)

And while we haven't yet witnessed an outright kinetic invasion, **should America further fall into disarray and division as the 2020 election approaches (and tensions heating up once again with America seemingly never more divided than we are now at any point since the Civil War) is it too much of a stretch to suggest that our enemies are just silently waiting, ready to pounce upon us?**

[As the American Thinker reported back on October 27th,](#) the United Nations wants to be our world government by 2030, just over 10 years from now, and the UN has previously made it quite clear that they'll be happy to jump into the skirmish should widespread hostilities break out in America.

And we pray for the people of California who are now suffering tremendous hardships while wondering if what we are really witnessing is His Judgement upon our land for our leaders sins and if so, how much more will Americans have to bare in the days, weeks and months ahead?

## **Man Claims 1000's of 'Red Star' Tanks Staged In Mexico, Russia to Build Many Military Factories**

Tuesday, November 13, 2018 13:31

A journalist in Mexico, Alex Backman, has recently released a video where he makes the claims of tanks with Red Stars staged in Mexico. He also describes in detail the situation with the caravans coming through Mexico. You can find the video and more info at the link below.

That's the UN army. Its all falling into place. Invasion of the US to take down our government, take our guns, and set up the NWO. Plans

beginning to come to fruition.

## **Are Mexico and Russia Starting a Modern Day Cuban Missile Crisis?**

Are the Russians amassing tanks in the jungles of Mexico in preparation for a "Red Dawn" type of invasion of the American Southwest.

Have the Russians engaged in a substantial military buildup just south of our border? Is Russia receiving help from Latin America? These are the topics of this article.

### **What Is Known**

The following are well-established facts previously published at the CSS.

1. There are substantial terror cells residing inside the United States including ISIS which has a cell in all 50 states - James Comey the Former FBI Director, stated on July 4, 2016.
2. In the 2008-2015 time frame, the Russians engaged with a type of lend-lease of military weaponry to Central and South America. What follows in this article is a report of thousands of Russian tanks in Mexico. This could be a true report.

3. The Sanchez-Parades Drug Cartel (AKA the Peruvian Army and national bank, which is now known as the Shining Path) is the conduit between Middle Eastern terror groups (ie Muslim Brotherhood, Hamas, ISIS, et al) and the Central American drug cartels (eg MS-13, Sinoloa Cartel, Juarez Cartel, etc). This is a significant contingent of the Red Dawn invasion force.
4. Together the Middle Eastern terror groups train at base camps primarily in El Salvador and in Honduras. Thanks to Kathy Rubio for providing much of this documented evidence.
5. During the previous Central American invasion of the United States in 2014, it was revealed by US Border Patrol to the CSS, that MS-13 were being captured and ordered release by personnel from DHS and the United Nations for points unknown inside the United States. Please note that MS-13 is used as the hit men for the drug cartels.
6. It is a well-established fact that the Communist Chinese military has a strong presence inside the United States. The Port of Long Beach is well known among the researchers in the Independent Media (IM) for being controlled by the Chinese and being seen as the conduit for covert Chinese troop deployment. Further, it has been a well-established fact that the solar energy farms are run by front groups controlled by the Chinese military. California Governor, Jerry Brown, and former President Obama, allowed the Chinese to occupy the inland ports in California. With regard to the Calexit movement, the Chinese have come to dominate California agriculture and are one of the primary forces behind the move to separate California from the United States and place the state under the protection of the US. The presumed purpose for such a move is provide a Chinese (or a potential Chinese-Russian-United Nations union) a beachhead for the take down of the US.
7. Paul Martin's covert sources, as revealed in a recent interview on the CSS radio show, established that there are predetermined weapons caches that would be available to 5th column invasion forces at a critical time, such as the commencement of a Red Dawn invasion force. Presumably, these forces would be used to carry out political assassinations, infrastructure disruption and attacks upon key military installations to prevent a full mobilization by US military forces in opposition to a Red Dawn scenario that would follow.
8. As revealed in a series of interviews of the CSS and Paul Preston, the President of the New California movement, revealed that the previously discussed Shining Path, was suspected of being engaged in a plot to assassinate President Trump in a visit planned for April of 2018. As covered on the CSS, it was also revealed that following the President's canceled visit to South America, he began to fortify the border with military assets this past April. Subsequently, it is safe to say that the President has actively been preparing for war on our Southern border for the past seven months as previously documented on the Southern border.

**The CSS has provided 419 links to the abovementioned topics over the last 4.5 years.**

Despite CNN's Acosta's unprovoked and wholly false claim that the the journo-terrorist made while he disrupted a recent White House press briefing, that the so-called

caravan was hundreds of miles away is no longer true. The vanguard of this force showed up at the Tijuana border in the past 24 hours. And now that Acosta's lies have been publicly revealed, that hasn't stopped the liberal mantra that we should let in anyone who wants to come here, terrorist or not.

**Granted, there are some immigrants in need of asylum, but they are being used by numerically superior forces to further the goals of an invasion force. How extensive is this invasion force?**

Some claim to have seen thousands of Russian tanks in the jungles of Mexico & there is an informant I use that say it's possible, because Russia has already assisted Mexico in the development of their defense industry including the manufacture of tanks and airplanes. This claim, however, remains an open question. Would I be surprised if it were true? **I would be surprised if it were not true. I believe that Putin is hedging his bets and playing both ends against the middle.**

Before heading down the path of proclaiming that "the Russians are coming, the Russians are coming", it is important to note that Putin has been extraordinarily patient with the United States and their Deep-State inspired provocations of the Russians.

The CSS has extensively covered Putin's threats made toward the globalists in which he recently threatened to nuke them. It is clear to me that Putin wants to partner with both China and the United States against the globalists. If one doubts the veracity of this claim, then please provide an answer to the claim that the EU, and in particular, French President Macron, has stated that a Euro army is necessary to fight against China, Russia AND THE UNITED STATES. This was a verbal declaration of war. A few days later, the European Union stated that they needed to act more like an empire. **The culmination of these facts clearly indicates that a war is brewing between nationalist nations and those beholdng to the creation of a New World Order. And this fact unmistakably establishes the fact that this division is what underlies the differences in America which could lead to a civil war.** Counterpoint

Despite the fact that it is clear that Putin desires a coalition to fight against the NWO and he sees China and the US as his potential partners, he also knows that the US is on the verge of being taken over by a Deep State coup in which elections are stolen and Deep State implants are internally destroying the government while the media promotes the kind of division that could lead to a civil war. Putin must have his doubts as to whether he can ally or must fight the United States. It is the belief of the CSS that if Putin determines that Trump cannot control his own government, then he must attack the US because the US would be his most adept adversary should he have to fight globalist-serving nations. In light of this fact, the CSS presents the following as to how Russia may have determined that an alliance with Trump would be meaningless.

**On one hand, we have the known belief and the fear of the globalists that Putin wants to ally with the US. On the other hand, we are getting reports of massive Russian tanks in Mexico.** Further, I received information yesterday that states that Russia is building factories in Mexico to manufacture war planes and tanks. If true, this would be a prudent move because a Cuban Missile Crisis type of interdiction of war material coming out of Russia to this hemisphere could be interdicted. However, if true, this is very much a Cuban Missile Crisis.

## Conclusion

It would be a brilliant move to hide military intentions behind the distraction of an invading immigration force. In all the confusion, a formidable mechanized force could stream across our border. However, it is clear that Putin's actions have alerted the Europeans as to his anti-globalist intentions and desire to align with Russia and China. Which is true, are we going to be invaded by Russia or are we going to be a partner with Russia. I don't think Putin is one of the purposes of the knows yet. However, if he determines that Trump cannot get his government under control, he will attack as he is a leader that is clearly hedging his bets.

As a concluding and cautionary note, we must guard against forming false conclusions created by false flag propaganda. Ask yourself, what is one of the purposes of the Mueller's Russian-Delusion-Collusion investigation? It is undoubtedly designed to keep America and Russia apart. Can we really discount the false flag scenario that could be present here with the objective to create mistrust among the two nations? Which is true? I am not sure, however, I know we are not going to have wait long to get the answer. <https://www.thecommonsenseshow.com/are-mexico-and-russia-starting-a-modern-day-cuban-missile-crisis/>

**++ "The human-animal hybrid army of Satan will be released with the fallen angels. Most will be stunned at what they are seeing, yet those who know Me will prevail. "Gone are the days of freedom now."**

I felt I was to wait until today (11-11-18) to release this post. As always, please take this to the LORD in prayer for confirmation.

The LORD Yeshua (Jesus) then spoke this into my spirit:

**"The human-animal hybrid army of Satan will be released with the fallen angels. Most will be stunned at what they are seeing, yet those who know Me will prevail. Gone are the days of freedom now. The rise of the beast is occurring. What you read about in myths and legends will be rising in front of your face to destroy all humanity; this I will NOT allow.**

Remnant warriors get ready. Battle in the heavenlies as you have known, for My angelic hosts are with you. The destruction of this dimension will not occur until the time of the Royal Kingdom is established.

**Don't think you can fight the evil of Satan on your terms. You MUST fight with holiness and righteousness, using My Word as the Sword. Speak forth that which My Spirit brings up, for those will be the weapons against the demonic forces. I rebuked Satan with My Word, so must YOU.**

Gather together through prayer and fasting, for the time of demonic unleashing is coming quickly.

This will be the testing of the saints like never seen in history.

Persevere and fight the good fight, staying true to My Word.

Fires of Holiness will be seen on my remnant warriors, just as it was seen on Moses.

Free yourself from ALL that binds you.

Let Me wash you clean from ALL of your sins, so Satan can't come in to destroy you. Press forward.

Look up to Me for your strength, for the battles will be fierce before I return.

Yet in the midst of the storms, there I AM."

## **Mayday! Mayday! A Profound Warning for All!**

Tuesday, November 13, 2018 20:09

Received by Prophetess Julie Whedbee

[iamcallingyounow.blogspot.com](http://iamcallingyounow.blogspot.com)

*It is I daughter, your good Shepherd and your mighty King. It is I who have the keys of death and hell and have redeemed mankind with My spilled blood. I alone am worthy to open the scrolls and reveal the end from the beginning. My resurrection from the dead, and My ascension to My Father fulfilled His design from before the foundation of the world.*

*To those who believe these words are true, enter into My spiritual rest. **To those in open defiance of these truths, I am bringing about a swift and decisive final end to you, as rebellion is as witchcraft and eternal destruction is your end. There is a point in every soul's life when a choice must be made for eternal spiritual life with Me, or the mind of carnal man which operates to serve and satisfy the lusts of the flesh, always leading to destruction and eternal death. Many of you have already faced this moment and made your decision; many more have not.***

*This life is but a vapor, a fleeting moment– the vanities therein slowly corroding the souls of those who come into agreement with dark spirits and forces, only to succumb to them and fall into spiritual desolation and oblivion.*

*If you are reading or hearing these words now, **you must ask yourselves very seriously, have you in the past, and are you making decisions and choices now for yourselves and your loved ones that only serve to feed and gratify the physical flesh, even if only for a brief season, completely neglecting the absolute truths of My Word and the necessary preparations that should be carried out to ensure that your futures are secure eternally with Me?***

*In giving you free will, I have given you the opportunity to choose life over death, and peace, joy and love over darkness, solitude and separation–eternally. Why then, as I look upon the earth, **do I see so many putting their faith, hope and trust in man's carnal mindsets, the doctrines of devils, and traditions not ordained by Me? A false sense of security has gripped men's lives and the continual, repetitive choices to make preparations for the physical well being rather than for your eternal souls will be your demise. To continue to live in the world and remain numb to who I am will cost you everything. Hear My words this day.***

*In that moment when I require your life from you, you will face the outcome of this most crucial choice that I have given you. **Are you able to stand before Me and answer for this life I have given you? Will you be able to accept that in the here and now, you were given a choice in free will, and you chose created things and things manifested in the fleeting and temporal world over eternity with your Creator? For I tell you, it is then that the choice you have made is revealed to you, and the gravity of your decision. Could I be any more clear to you? Can you not hear the cry of My heart and the love I have for you and My great mercy, screaming for your attention? My love for you has no bounds, but I force no one. I loved you first, in so much that I paid the ultimate price for you–My blood poured out, so you could make this choice to be free.***

**Why then, My people, do you choose to remain in bondage and be enslaved by the systems that mandate and control your lives? Why do you believe the lies and sink deeper and darker into the schemes of the enemy and the ensuing deception? Why do you allow yourselves and your loved ones to continue to be indoctrinated and slowly poisoned by the prince who has dominion over this earth? I will tell you why. You do not believe in the importance and absolute necessity of standing on My Word and My promises as the very foundation of your existence here. You have bought into the illusion that man has the answers, and that if you consider yourselves good people and your hearts are in the right place, that you are secure and you have a foundation that will stand when all comes crumbling down. This is a lie from the pit of hell, and your example is a direct influence to your loved ones and all those you come in contact with.**

**Almost every area of modern daily life has been polluted, distorted, twisted and re-made to sublimely indoctrinate information and knowledge that is not of Me, but comes directly from he who governs this realm. My people, you are being destroyed for lack of knowledge because you have not chosen to make the choices necessary to preserve your spiritual eternities. Take the time to do a thorough review of your daily lives and pay attention to all that is presented to you in the forms of technology, media, business and entertainment.**

**[Psa 11:4](#)**

**The LORD is in his holy temple, the LORD'S throne is in heaven: his eyes behold, his eyelids try, the children of men.**

**[Psa 11:5](#)**

**The LORD trieth the righteous: but the wicked and him that loveth violence his soul hateth.**

**[Psa 19:13](#)**

**Keep back thy servant also from presumptuous sins; let them not have dominion over me: then shall I be upright, and I shall be innocent from the great transgression.**

**[Psa 19:14](#)**

**Let the words of my mouth, and the meditation of my heart, be acceptable in thy sight, O LORD, my strength, and my redeemer.**

**Look closely, and pray for discernment, as you search for the roots and the motives of all that is daily in front of you. There is a beginning to it all, and if you truly desire truth, I will reveal to you the hidden agendas behind it all, and the slow and numbing destruction of your souls that is taking place.**

**As the Heavens thunder, you will suddenly find yourselves without a foundation, and when the illusion that you believed in as your reality here will dissolve in an instant, then you will recognize that the time you were previously given to acquire revelation, counsel, knowledge and wisdom from Me will have been spent, foolishly pursuing selfish desires.**

**I do not speak these words to you to condemn you, but rather to again open My heart to you in My great love, so that you and those you lead will be saved! I know the plans I have for each one of you, and they are never plans to harm you. In a world filled with so many lies, I urge you to please consider deeply in your hearts, My words of truth. I have written in My Word that I will pour out My Spirit in these last days and I am doing so in My servants, the prophets. Heed their warnings**

**and discern the heart of your Father and Creator, the spirit of Truth in what I am speaking. I AM that I AM and I will not be mocked.**

**Carefully and with great concern and attentiveness, look at everything you engage and participate in. Review the places you frequent. What company do you keep? Do you fellowship with those who do not adhere to My truths or compromise in their walks, all the while professing Me? Do you do the same in your inner circles? Do you walk circumspectly and pray for My discernment, wisdom and counsel in every area of your lives and that of your loved ones? Or, do you feel the need to be entertained, therefore opening the door to the enemy for him to manipulate and stimulate the mind and the senses? Do you attend churches and/or fellowships that are not completely biblically sound and have mixed their rituals, traditions and doctrines of men into their teachings? As rebellion in any form is as the sin of witchcraft, and I tell you, there is prevalent in your days, more witchcraft especially in your churches than you would ever believe.**

**If you would only simply open your spiritual eyes and ears to hear what My Spirit is saying to you in this late hour. You are incredibly blessed in that much truth is available about most of the man-made traditions being practiced, if you would only seek to find truth. You are directly responsible and accountable in what you participate in, so if you still continue to engage in pagan practices and lead others, especially your children to do the same, you are responsible for these choices. Many, many things that are a part of modern daily life are nothing more than witchcraft, and if you participate, you immerse yourselves in darkness and are in direct disobedience to My commands. You are not excused from this knowledge, discerning good from evil, light from darkness, because I have placed My Spirit within you and it is your responsibility to seek and learn TRUTH. Claiming to be ignorant will not avert the outcome of your rebellion. Are My words bearing witness with you? Is My Spirit piercing your hearts, dividing asunder your souls from your spirits? It is sharper than any two-edged sword, and I am the discerner of your hearts. Does this truth circumscribe your flesh and cause the dross to begin to burn off of your sinful natures and your sinful ways?**

**The Kingdom of Heaven is at hand and those who refuse to take these words to heart will find themselves standing outside the gates of My Kingdom, with great wailing and gnashing of teeth. Your cries at that point, however, will not be heard, for it is you that will have chosen to separate yourselves from Me. I have told you, I will never leave you or forsake you, but that it is you who will walk away from Me by the choices you make in the here and now, each day as you arise.**

**Knowing that My mercies are new every day, won't you come to Me with contrite, broken, and surrendered hearts, giving Me your all, your hearts, your minds, your wills, and your very lives? For I tell you, time is no more and before you realize what has occurred, even the freedom you have now to hear and read these words will be stripped from you. A day is coming, it is almost upon you, that there will not be this opportunity to hear and read My words in this way, for the dark forces are increasing their efforts and control and any talk of Me publicly will be condemned. You are seeing this play out already in your lives.**

***Yes, My people, the choice to publicly profess and claim Me as King and Messiah is becoming more and more a persecution for those who choose Me, but what do you have to lose? A dying world under a curse, filled with empty promises, whose end is always death and destruction?***

***In the end, and the end of the ways of man is upon you, all that matters is what you have done with the lives I have given you. Have you fought for truth and forsaken all to acquire it? Or have you settled for that which is only temporary and fleeting?***

***You will only receive these words in this manner for a time, before it will soon not be permitted. I love you more than you can imagine, My people, and I wish that none would perish. Stop everything and be absolutely sure of where you stand, and what you are believing in for your foundation.***

***I AM WAITING..***

***YAHUSHUA***

***January 14th, 2018***

**MESSAGES FROM OUR FATHER IN HEAVEN  
MY SON IS MY MOST PRECIOUS GIFT TO YOU**

My people, do you have an idea what an incredible gift you have been given in My most Holy Son Yahushua? I have provided a way out for you. A way out of your pain, your depression, your suffering, your loneliness, the heavy cares of the world in which you live. All the world speaks of a coming time upon the earth of great tribulation. Each soul deep in their hearts knows there is something unbalanced and unsettled at this time. Where do you think this has come from? Who do you think gently speaks to your soul, inviting you and drawing you into a deeper relationship with Me?

All is not hopeless, all is not lost. Again, I have provided a way out of the darkness that has so enveloped you. My heart mourns for those who feel they are not loved, for those who feel as if their life has no purpose, no meaning, for this is the lie of the enemy! You must know that I am Your Father and there is no one that has cared for you more than I have! Read my Word!

I speak again and again of My love for ALL men. I wish that NONE would be lost! ***This is why now, at this time, I am speaking to so many of my servants about repentance, words of warning about the condition of your souls. All of the things you have put your dependence on, your focus, these are all things of this world. My Kingdom is not of this world.*** In my Kingdom, there is no suffering, no pain, and no sorrow, no hopelessness, and no fear. But know this; this gift of My Son and My invitation to allow Him to give you access to Me through His shed blood is a choice of free will.

I will never force you to believe in Me or believe I sent My Son to redeem you. The choice will always be yours. This should show you how very much I love you, in that I would never command you to love Me as well. I want your heart and I want all of it, but it must be of your own accord. Please allow Me to soothe the hurts and pains in your life. I can fill that emptiness in your heart, and turn your sorrow into joy. I can bring you a peace that exceeds all understanding. I am the only way you will find the relief of your soul that you are so desperate for. Let Me show you this.

Give Me a chance to comfort you and all will be well with your soul. You have My word on this. I cannot let you down. You must turn from your worldly pleasures now! They

only offer empty promises that could never fulfill you in the ways in which you search. Your soul is the only thing that will matter very soon, and your relationship with Me, for all these other things are soon passing away...”

Your Father in Heaven

-----  
**TURN TO ME OH MAN AND BE SAVED**

I have come to bring light to the world, but your hearts have become dull and cold. You have allowed the enemy to lull you into a deep sleep. So many things consume your time and your energy. **Do you even ask yourself each day, 'Is this in the Fathers' Will'? You do not. You go about in vain, operating in your own selfish desires and ambitions, all of which have nothing to do with My Kingdom.** When will you learn My stubborn people. Wake up! The Day of The Lord approaches so quickly now, and will sadly catch many unaware. Turn to me while there is yet still a moment left. Repent of your sins, and worship Me, the Light of the world. My love for you has not gone cold. Turn to Me! I call you each by name. I have sent My comforter to help you, to strengthen you and guide you. Leave all to Me. Only truly believe, with all of your heart, and you will be saved.

**BONDAGE OR FREEDOM, YOU CHOOSE**

**How much more time will you choose to spend in bondage to the things of this world? How much more time will you waste on things that do not bear fruit?** I have offered you a way of life that frees you from all burden, and guides you purposefully through this mission I have created for each of you individually. **Are you truly joyful and peaceful in your soul? Do you have true rest at the end of each day, or do you find that you lie down to sleep feeling frustrated, still empty, still lacking, and inadequate in what you have set out to do for that day? What do you continue, day after day, to chase after? Money? More and more because what you have is never enough? Material things? Do you fill your days with so much work that you could never hear My voice even if I was screaming at you? Maybe you are running from past hurts and fears, thinking if you stay busy those deep wounds in your heart will someday fade away, filling your time with anything and everything, as long as you keep moving to distract yourself from facing your pain. Have you actually become obsessed with things of this earth? Technology? Media? Computers and phones, alcohol, drugs, sex, food, the list goes on and on. I have only ever asked one thing of any of you, and that is a relationship with you. I don't want or need your money, your hard work, your accomplishments, or your things. I want to spend time with you. It's that simple. There was a time when I walked and talked with man in the Garden, and there will come a time again when we will do so. But you may still find Me close today.** I am as close as your next breath. I have never left you or forsaken you, so why have you separated yourself from Me? You know by now that this world offers nothing that can truly satisfy the longing in your souls. I am the only Way, the Truth, and the Life. I make this request yet again. Please, come to Me, and I will bring rest to your souls and give you a peace that will astonish you.

Give Me a chance! You won't regret it!

Let ME fill all the empty spaces you need filled.

I love you. Yahushua

### **SAFE HAVEN MESSAGE // FULFILLED: CA. FIRES & ATTACK ON ISRAEL**

**Play:** <https://www.youtube.com/watch?v=VY7EDbu4bBc>

**These safe havens will be going up all over the country. People must pray for the locations in order to find them. This is the time to start praying. People should be on a mission now, to seek out these places. They are just starting to gather now!**

#### **SCRIPTURES:**

*" By faith Noah, when warned about things not yet seen, in holy fear built an ark to save his family. By his faith he condemned the world and became heir of the righteousness that is in keeping with faith. "*

*Hebrews 11:7*

*" By faith Abraham, when called to go to a place he would later receive as his inheritance, obeyed and went, even though he did not know where he was going. "*

*Hebrews 11:8*

-----

**Brothers and sisters, the LORD has shown me a 'safe haven' and I believe that HE will show me more and connect me to others that are forming. I believe that this is a new assignment that HE has given me and I willingly and joyfully accept! HE is now starting to position HIS people physically and spiritually. Only those who feel the nudging of the HOLY SPIRIT will be moved. Many will NOT be told to move, only those who are in danger or called. It will be different for each person, that is why we need to hear HIS voice when HE calls! These safe havens will be hidden places and protected by the LORD.**
