The U.N. has 'plan of action' to curtail free speech in every nation of the world--U.N. Secretary-General Antonio Guterres says the quiet part out loud: All speech contrary to established narratives must be reined in.

Jun 23, 2024 Don't look now but your First Amendment rights are up for negotiation at the United Nations, just as they are at the World Economic Forum and other globalist organizations that are aligned with the burgeoning one-world system.

On June 18, in recognition of **International Day for Countering Hate Speech** – yes, they actually have a day for that – the United Nations Secretary-General called for the eradication of “hate speech” around the world.

While that may sound nice in today's world, where it tickles the ears of the naive Western liberals, keep in mind that “hate speech” is in the eye of the beholder.

This U.N. statement should be seen as a harbinger, a clear signal, that the U.N. and its many globalist allies are getting ready to clamp down even harder on what *we the people* are allowed to say or write online. The intent of the globalists is to criminalize all speech with which they disagree.

Nothing could be more anti-American, as the founders of our nation were not concerned about protecting people's right to say what is popular. **Rather, it was the right to voice one's opinion that might be unpopular or controversial that they were most concerned about. This tends to be speech that is political or religious in nature.**

**The globalist elites don't see it that way. They want to set the tone and the agenda and chill all other speech through threats and actual criminal punishments.**

**That's the type of Brave New World to which the globalists want to take us. We already see it happening in the U.K., Canada, Germany and other formerly free nations. There's a faction within the U.S. that wants to go down this same road and they have been using arcane laws to throw pro-life Americans in jail for long prison terms, and they did the same to protesters who did nothing more than walk peacefully through the Capitol on January 6, 2021.**

**Guterres added that "the United Nations Strategy and Plan of Action on Hate Speech provides a framework to tackle both the causes and impacts of this scourge. And the United Nations is currently preparing Global Principles for Information Integrity to guide decision-makers around these issues."**

**Yes, the U.N. actually has a "Plan of Action" to curtail our speech (you can read the entire plan [HERE](#)). That an unelected global body would even have such a plan, let alone be pushing it on the nations of the world, should concern every freedom-loving person out there.**

**Lieutenant General Igor Kirillov, Chief of the Radiation, Chemical and Biological Protection Forces of the Armed Forces of the Russian Federation, issued a video briefing this week**

**claiming the United States may soon launch a biological false flag to blame on the Kremlin.**

The U.S. military veteran and researcher known as WarClandestine on X posted a segment of the Kirillov statement, explaining the new report alleges the Pentagon relocated its secretive Ukrainian biolab operation to Africa, due to Russia's liberation of the labs in Ukraine.

Kirillov alleges that Biden-owned Metabiota, and other intermediary NGOs, are running cover for... [pic.twitter.com/C2ZvblcUL7](https://pic.twitter.com/C2ZvblcUL7)

— Clandestine (@WarClandestine) June 26, 2024

The Russian military general specifically said U.S. biolab activities are taking place in the Democratic Republic of the Congo (DRC), where a new variant of monkeypox that **reportedly** "causes miscarriage and has a fatality rate of 10 percent" is currently spreading.

Kirillov also explained how the U.S. government is using third-party companies such as the Hunter Biden-linked groups Metabiota and EcoHealth Alliance, as well as a company called Quicksilver and over twenty others.

These corporations are essentially used as buffers so the government doesn't get into legal trouble by creating bioweapons against global agreements.

Clandestine wrote on his X post, “Also keep in mind, the founder of Biden-owned Metabiota is Ghislaine Maxwell and Clinton affiliate, Virologist Nathan Wolfe.”

“To conceal the purposes of the research, Washington uses third parties. These are contracting and intermediary organizations (Metabiota, Quick-Silver, Eco-Health-Alliance, more than 20 companies in total), as well as enterprises of the so-called Big Pharma,” he stated.

Idaho farmers being fined \$300 PER ACRE for watering their own crops & there is no water shortage! Engineered FAMINE now under way

Idaho farmers are **speaking out about the state's unreasonable and disastrous water curtailment orders** that threaten their very existence. The Idaho Department of Water Resources has issued a sweeping curtailment order affecting tens of millions of acres of farmland across the state. The state is threatening independent farmers with \$300 fines per acre for watering their crops with their own wells.

**This move comes at a time when water resources are stable across the state, so there appears to be a deliberate move to sabotage independent farmers, while artificially causing water shortages that will takedown hay, potato and dairy farms across the state. These outrageous curtailment orders will upend the livelihoods of countless farmers -- a move that will have a ripple effect through Idaho's economy and push food prices higher across the United States.**

**This is an engineered famine, and state leaders must act to stop the sabotage.**

**In Celebration Of Pride Month 2024, The Episcopal Church Unveils New LGBTQIA2SL++ Battle Flag Shield Preparing Their Followers For Antichrist**

May 30, 2024--The Episcopal Church has unveiled a new Pride Month Shield proudly proclaiming their opposition to God and the doctrinal teachings of the Holy Bible

The apostle Paul tells you about the 'falling away' of the professing Christian church in the

last days, and the apostle John shows us the lukewarm Laodicean Church who have lapsed into utter apostasy.

In preparation for Gay Pride Month 2024, the Episcopal Church has unveiled a brand-new flag to show all the world just how accurate the prophetic word of those two apostles really is. Now, the Episcopal Church stands prepared and ready to...receive the coming Antichrist.

**“Let no man deceive you by any means: for *that day shall not come, except there come a falling away first*, and that man of sin be revealed, the son of perdition;” 2 Thessalonians 2:3 (KJB)**

Everyone is picking which side they are on, God's side or the world's side, and it is both sickening *and* encouraging to witness. Sickening to watch it all happen, but encouraging to see just how accurate your King James Bible really is on every level. It is the duty of Bible believing Christians in any age, to discern the spirit of that age, and to oppose it if it is evil. A main 'spirit of our age' comes as a **6-color rainbow** flag that cannot be missed.

[Shutdown](#)<<Our report from our [7/30/08](#) road trip up to Todd Bentley’s Blasphemous Lakeland Tent Revival, subsequently (after Doug and I prayed for 4 hours there during one of the “revival” meetings) [the following documented events happened:](#)

Following the ABC Report ([see below](#)), Bentley took time off from the revival, but returned on 18 July 2008.<sup>[15]</sup> Five days later, Bentley and Strader announced that Bentley would be leaving the revival permanently [and that his last day would be 23 August 2008](#) ([Comment: But this was not due to any scandal](#)).<sup>[31]</sup> [But actually Bentley’s last day of preaching was on Friday 8 August 2008\(or 8/8/08\)... Three days later it was reported that Bentley, "has filed for separation from his wife, a former spokesperson said Monday, and will not return to the ongoing revival."](#)<sup>[36]</sup> [Four days after that on August 15, 2008, the news of his resignation became public.](#)<sup>[18]</sup>

pastored by Stephen Strader. Every night up to 126 million people are being deceived by this movement/Todd Bentley a convicted child molester who looks more like a Hell's Angels biker than a man of God. Mr. Bentley is a certified false prophet/teacher from the infamous Elijah List, an umbrella group that markets all the bogus 'prophetic' material their many seers sell. Many of these forerunners for the antichrist are heralding this outbreak as the much-touted outpouring of the 'Latter Rain' and 'Third Wave'. One of the main problems with Mr. Bentley's healings though, is that he is doing so (admittedly) by the power of a supposed female angel named Emma-O. This is the same spirit that supposedly 'birthed' the Kansas City Prophet movement & The Pensacola and Toronto Revivals (among her many accomplishments).

The Encyclopedia Britannica identifies Emma-o in Japanese Buddhist mythology as the overlord of hell. The information contained in this teaching is truly unbelievable but easily verifiable & well documented. Wendy Alec, co-founder of God-TV prophesied regarding this latest 'outpouring' of the unholy spirit: 'THIS is just the warm up party – for what you shall see in the coming days shall even make these days pale – with what I have up my sleeve...'

["God TV", Lakeland, Todd Bentley & Satanism-Part 1](#) June 6th, 2008

["God TV", Lakeland, Todd Bentley & Satanism-Part 2](#)

**In this teachings we will be looking at the overwhelming body evidence existing; that indicates that individuals like 'faith healer' Todd Bentley are not just deceived, they are actually prepositioned high level Satanists/Luciferians. Todd Bentley says the 'Holy Spirit' told him to 'Kick Her In The Face' with his 'Biker Boot' to heal a woman! He was also told by the 'Holy Spirit' to punch a man in the stomach, 'leg drop' a Pastor and bang a woman's legs up and down like a 'ball bat' Below is an excerpt (we will be reviewing in this teaching) from a Christian who came out of the high level occult: 'I once met a Satanist of very high power with Angelic language tattoos up and down their arm. They were incantations to draw fallen angels to it so that she/him could impart their powers to others. I've noticed that Todd Bentley has these tattoos of flames coming up to his neck, with Chinese characters on his neck and throat. He seems to be some sort of a conduit for spirits and this seems to be his theme. I believe that he is attracting fallen angels, who are much greater in power than mere demons; to impart them to those he touches. Some time ago I watched as he performed a blatant witchcraft ceremony where the people write their prayer requests on paper, and then light them up with fire. This comes right from a pagan ceremony. I received word from my contacts years ago that these Satanists were training in these revival movements as infiltrators; now it seems that they have done such a good job of deception that they are now leading the people of God into the occult.'**
